AIR CONDITIONER SHROUDS

Built for coastal conditions. Designed to impress.

Premium Vortex AC covers by Alumac, with optional patent-pending SplitStream™ airflow system to keep hot exhaust air out of your condenser.

DESIGNED & MANUFACTURED IN SYDNEY

AUSTRALIAN MADE. BUILT TO LAST.

Alumac Vortex is our custom designed and fabricated air conditioner cover featuring unique ventilation:

- Optional SplitStream™ airflow system
- Vertical or horizontal slats
- Standard and custom sizes
- Completely free standing: No structural fixings and no fixings to the condenser
- Weatherproof and durable: powder coated aluminium in any colour
- A stylish and functional use of space that serves to conceal and protect the air conditioner unit
- Australian made and designed
- 10 Yr Warranty
- Delivery Australia-wide
- Strata-friendly.

10 Year Warranty
» Premium Quality
